- B. Seller shall pay the State of Georgia Transfer Tax.
- C. Tenant must close on the Condominium Unit. This Agreement is not assignable, saleable, or transferable by Tenant in any capacity.
- D. Tenant shall receive a credit to the Purchase Price from Seller equal to 25% of all the Rent they have paid under the Lease Agreement referenced above. No monies for additional charges such as water, pet fees, late fees, etc. shall be credited to Tenant.
- E. No Real Estate Brokers shall be paid by Seller on behalf of Tenant.
- F. The cost of this Option shall not be credited to Tenant at the Closing.
- G. Tenant shall be responsible at closing for the Sewer Tap Fee due to the City of Porterdale in the amount of \$2,791.07 for each Condominium Unit. This money is due for the condominium sewer service / tap. This will be part of the Closing Costs paid by Tenant at closing.
- H. The sale of the Condominium Unit shall be "as-is" and Seller shall not provide any warranty to Tenant other than any warranties that are provided by a manufacturer.
- I. In the event that the Lease is ever terminated and Tenant no longer rents the Premises, this Option Agreement shall be null and void and of no further course or effect. The Option Fee paid hereunder shall be non-refundable to Tenant for any reason.
- J. Property Taxes for the year in which the Condominium Unit is sold shall be prorated as of the date of sale.

It should be noted that the Property is currently eligible for a Property Tax Freeze from the State of Georgia and Newton County due to the qualifying historic renovation that was completed in 2006. The Freeze is for 8 years and then the property taxes go to 50% total value for year 9 and 100% full value for year 10 during the phase-in period. The total property taxes for the Property during this freeze are estimated to be approximately \$25,000. This equates to a property tax of approximately \$150 per year for each of the Condominium Units. As comparison, a \$200,000 valuation of a Condo Unit right now in Newton County would have a property tax liability of approximately \$3,000. This program should prove very beneficial to the owners of these units until it phases out.
